

## Manotsuru "BULZAI" GINJO

This is a Nama-chozo sake, which means it is left unpasteurized until the bottling stage; this adds zestiness to the mouthfeel. Refreshing aromas of bananas and tropical fruit. The finish offers hints of licorice and white pepper over stone-driven mineral notes. Best served chilled. Bulzai "hits the mark" with a wide range of appetizers and fish dishes.

**Grade:** Ginjo (premium quality sake)

**Nihonshu-do:** +6 to +8 (dry)

**Seimaibuai:** 55% (45% of the rice milled away)

**Rice:** Gohyaku - Mangoku

**Yeast:** k1701

**Acidity:** 1.3

**UPC:** 689076820035 (12x300ml); 689076820042 (6x720ml)

### About the Region:

Manotsuru "Bulzai" Ginjo is handcrafted at the Obata Shuzo brewery, which is located on Sado Island in the Niigata prefecture of Japan. Niigata is famed for its jizake, or unique, "micro-brewed" sakes with character. Niigata is considered by many to be the best place in the world to find high quality sake. The toji in Niigata use highly polished rice and exacting filtering techniques to create a distinctive style. They are aided by the cold climate and the isolation of the mountains, as well as good regional rice and pure mountain water. (Source: The Sake Companion).

### About the Brewery:

Obata Shuzo has been hand-making boutique premium sake since its founding in 1892, using pure, soft groundwater and world-famous sake rice. The *kura* is still owned and managed by the Obata family. The *toji* (master brewer) is the acclaimed Kenya Kudo. The *kura* received Gold Medals at the National Sake Competition in 2001, 2002, 2003, 2004, 2005, 2006 and 2008, and received a Gold Medal at the International Wine Challenge in 2007. The Obata family crest is Four Diamonds. These represent the three elements that are commonly held to be crucial in sake brewing: "Rice," "Water" and "Humans" (Brewers). In addition to the aforementioned three, the brewery takes into account the importance of "Climate and Nature" (Terroir). Their motto is to brew sake where the "four treasures" may work harmoniously to produce a well balanced product.
